- list the name, date of certification, and contact phone number, and position number (if relevant) and have the stamp or seal of the authorised officer (if relevant) applied.

Certified copies will only be accepted via the Online Upload Service at www.ahpra.gov.au/registration/online-upload. Photocopies of previously certified documents will not be accepted. For more information, Ahpra's guidelines for certifying documents can be found online at www.ahpra.gov.au/certify.aspx

You must provide evidence of a change of name if you have ever been formally known by another name(s) or any of the documentation you are providing in support of your application is in another name(s).

Faxed, scanned or emailed copies of certified documents will not be accepted.

CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

You are required to maintain a portfolio documenting participation in, and reflect upon, CPD that contributes to maintaining and improving your competence to practise in your chosen scope of practice. Practising physiotherapists must complete at least 20 hours of CPD per year. The Board will accept as evidence a declaration by an individual of CPD activity sufficient to maintain competence throughout the period of registration. CPD activities must contribute directly to maintaining and improving your competence in your chosen scope of practice.

For more information, view the full registration standard online at **www.physiotherapyboard.gov.au/Registration-Standards**

CRIMINAL HISTORY

Criminal history includes the following, whether in Australia or overseas, at any time:

- every conviction of a person for an offence
- every plea of guilty or finding of guilt by a court of the person for an offence, whether or not a conviction is recorded for the offence, and
- every charge made against the person for an offence.

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made. The Board will decide whether your criminal history is relevant to the practice of your profession. You are not required to obtain or provide your Australian criminal history report, Ahpra will obtain this check on your behalf. But if you have not given us certified proof of identity documents since October 2019, you will need to do this first.

Any document containing a photograph must be annotated with the statement *'I certify that this a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me.'* You may be required to obtain international criminal history reports. For more information, view the full registration standard online at

www.physiotherapyboard.gov.au/Registration-Standards

and the requirements for supplying proof of identity and certified documents at www.ahpra.gov.au/Registration/Registration-Process/Proof-of-Identity and www.ahpra.gov.au/Registration/Registration-Process/Certifying-Documents

CURRICULUM VITAE

Your curriculum vitae must:

- detail any gaps in your practice history of more than three months from the date you obtained your qualification
- be in chronological order
- be signed and dated with a statement 'This curriculum vitae is true and correct as at (insert date)', and
- be the original signed curriculum vitae (no faxes or scanned copies will be accepted).

It must also contain all the elements defined in Ahpra's standard format for curriculum vitae which can be found at **www.ahpra.gov.au/cv**

ENGLISH LANGUAGE SKILLS

To be eligible for registration you **must** be able to provide evidence of English language skills that meet the Board's *English language skills registration standard*, which can be found at

www.physiotherapyboard.gov.au/Registration-Standards

IMPAIRMENT

The National Law defines impairment as 'a physical or mental impairment, disability, condition or disorder (including substance abuse or dependence) that detrimentally affects or is likely to detrimentally affect your capacity to practise the profession'.

An illness or health condition that is safely managed is not the same as impairment, as these do not have a detrimental impact on your capacity to practise. Examples you **do not** need to tell us about include:

- wearing prescription glasses to correct your vision or hearing aids to correct your hearing, or
- seeing a psychologist for anxiety and following a treatment plan. The National Law requires you to declare any such impairments at the time of renewal, including details of the impairment and how it is managed.

PRACTICE

Practice means any role, whether remunerated or not, in which the individual uses their skills and knowledge as a practitioner in their regulated health profession. Practice is not restricted to the provision of direct clinical care. It also includes using professional knowledge in a direct non-clinical relationship with patients or clients, working in management, administration, education, research, advisory, regulatory or policy development roles and any other roles that impact on safe, effective delivery of health services in the health profession.

PROFESSIONAL INDEMNITY INSURANCE (PII)

You cannot practise as a physiotherapist in Australia unless you are covered by your own, or third-party professional indemnity insurance (PII) arrangements that meet the requirements of the Board's registration standard.

Remember, practising means using your skills and knowledge as a health practitioner in any paid or unpaid role in your profession.

Initial registration and annual renewal of registration requires a declaration that you will be covered for all aspects of practice for the whole period of the registration. You may be covered by your Australian employer's PII - you will need to confirm this with your employer.

For more information, view the full registration standard online at www.physiotherapyboard.gov.au/Registration-Standards

RECENCY OF PRACTICE

To ensure that you can practise competently and safely, you must have recent practice in the field in which you intend to work during the period of registration for which you are applying.

To meet the standard, you must have practised within your scope of practice for a minimum total of:

- 450 hours over the previous 3 years, or
- 150 hours in the previous registration year (one month full time equivalent).

If you have been absent from practice, the specific requirements depend on the scope of practice, your level of experience and the length of absence from that scope, including any continuing professional development undertaken.

If you propose to change your scope of practice, the Board will consider whether your peers would view the change as a normal extension or variation in a scope of practice, or a change that would require specific training and demonstration of competence.

Practitioners who are unable to meet the Board's registration standard for recency of practice may be required to complete professional development activities, submit a plan for re-entry to practice or other training or assessments.

For more information, view the full registration standard online at **www.physiotherapyboard.gov.au/Registration-Standards**

REGISTRATION APPROVAL DATES

On the date of the Board's approval – this means your registration will start on the date all application requirements are received and you're assessed as eligible for registration.
