

## Communiqué

---

The 52nd meeting of the Physiotherapy Board of Australia (the Board) was held on 27 June 2014 at the AHPRA National office in Melbourne.

This communiqué outlines the issues and decisions from this meeting, as well as other points of interest.

We publish this communiqué on our website and email it to a broad range of stakeholders. Please forward it to your colleagues and employees who may be interested.

### Consultation on revised standards and guidelines – now closed

The Board published the following standards and guidelines for public consultation until 30 June 2014:

- *Recency of practice registration standard* and related guideline
- *Professional indemnity insurance registration standard*
- *Continuing professional development registration standard* and related guideline

The Board wishes to thank its stakeholders for providing thoughtful and thorough submissions. All of the submissions will be published, unless the authors request that they not be. The submissions will be taken into consideration and final versions submitted to Health Ministers for their approval.

Later in 2014, the Board will publish the following revised documents for consultation:

- Limited registration standards (various)
- *Supervision guidelines for physiotherapy*

The Board is seeking broad-ranging input on these revised documents, and will update registrants and the community on progress about the consultation period through this communiqué and in the *News & updates* section of the Board's website.

### Queensland – new arrangements for handling notifications from 1 July 2014

From **1 July 2014**, a new law comes in to effect in Queensland, the *Health Ombudsman Act 2013*.

From this date, all complaints about Queensland health practitioners will be received by the Office of the Health Ombudsman (OHO) who will either manage the matters or refer them to the relevant National Board to manage.

Complaints that were made to AHPRA or National Boards before 1 July 2014 will generally continue to be managed by AHPRA on behalf of National Boards. However, under the new law the Office of the Health Ombudsman can request that a matter be referred to them to be managed. If this were to happen, AHPRA will inform both the notifier and the practitioner who is the subject of the notification.

For information about the Office of the Health Ombudsman please go to [www.oho.qld.gov.au](http://www.oho.qld.gov.au) or call 133 646 (133 OHO).

### Health Professions Agreement (HPA)

The Board has approved its budget for the 2014/15 financial year. The Board has now commenced its consideration of the 2014/15 Health Profession Agreement with AHPRA. The HPA outlines the services that AHPRA provides to the Board. Under the National Law, the Board and AHPRA work in partnership to implement the National Scheme, each with specific roles, powers and responsibilities set down in the National Law.

Once finalised, this document, including the Board's budget details, will be published on the Board's website. The 2013/14 HPA is available for review at [www.physiotherapyboard.gov.au](http://www.physiotherapyboard.gov.au).

## Audit

AHPRA and the Board have established a nationally consistent approach to auditing health practitioners' compliance with the mandatory registration standards.

Each time a practitioner applies to renew their registration, they must make a declaration that they have met the registration standards for their profession. Practitioner audits are an important part of the way that the Board and AHPRA can better protect the public by regularly checking declarations made by a random sample of practitioners. The audit helps to make sure that practitioners are meeting the required standards of practice and give important assurance to the community and the Boards.

Auditing of all professions has started. If you are selected for audit you will be notified in writing and will need to provide evidence that you meet the requirements of the registration standards.

Further information will be available soon on the [Board's website](#).

## 2014 Registrant Survey

Later in 2014, the Board will be conducting a voluntary and anonymous email survey of registered physiotherapists. By conducting this survey, the Board aims to get a better understanding of physiotherapists' knowledge of their obligations under the National Law, as well as the areas on which it might need to provide more guidance.

Look for the link to the anonymous survey in your electronic mailbox in the coming months.

## Updating contact details

To check your contact details, go to the [Your Account](#) link on the AHPRA homepage, and enter your User ID, date of birth and password (please note that your User ID is not your registration number). If you cannot remember your user ID or password, contact us [online](#) or call: 1300 419 495.

## Follow @AHPRA on Twitter

AHPRA will be using [Twitter](#) to encourage a greater overall response to National Board consultations and to host regular Twitter chats on important topics.

## Conclusion

We publish a range of information about registration and our expectations of you as a physiotherapist on our website at [www.physiotherapyboard.gov.au](http://www.physiotherapyboard.gov.au) or [www.ahpra.gov.au](http://www.ahpra.gov.au).
