Introduction

The role of the Physiotherapy Board of Australia (the Board) includes:

- registering physiotherapists and students
- developing standards, codes and guidelines for the physiotherapy profession
- handling notifications, complaints, investigations and disciplinary hearings
- overseeing the assessment of overseas trained physiotherapists who wish to practise in Australia, and
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by the [Australian Health Practitioner Regulation Agency](#) (AHPRA). For information about legislation governing our operations see [About AHPRA](#) at www.ahpra.gov.au/About-AHPRA/What-We-Do/Legislation.aspx.

The Board has analysed its registration data and produced a number of statistical breakdowns about registrants to share with the profession and community. The Board shares these breakdowns regularly.

For more information on physiotherapy registration, please see the Board's website www.physiotherapyboard.gov.au/Registration.aspx
